DEFINITIONS

“Children” or “Child” refers to a person who is under 16 years of age

“Church” – see Launde Abbey. Note that Church of England published documents refer to the place to which the Policy applies as the church. In choosing to use the Church of England Parish Safeguarding Handbook as the basis of its own Safeguarding Procedures, the place where this Policy applies is Launde Abbey.

“Diocesan Safeguarding Adviser” or “DSA” refers to the person appointed to the position of Diocesan Safeguarding Adviser in the Diocese of Leicester, unless specifically identified otherwise.

“Incumbent” – see Warden. Note that Church of England published documents refer to the person responsible as the Incumbent but, within the context of Launde, the person responsible is the Warden.

“Launde Abbey” or “Launde” refers to the buildings and grounds of Launde Abbey.

“Parish” – see Launde Abbey. Note that Church of England published documents refer to the context of the Policy to be a Parish. Although Launde is part of the Parish of Loddington with Launde, in choosing to use the Church of England Parish Safeguarding Handbook as the basis of its own Safeguarding Procedures, the context of this Policy is Launde Abbey.

“Parish Safeguarding Officer” or “PSO” – see Safeguarding Co-ordinator. Note that Church of England published documents refer to this person as the Parish Safeguarding Officer. Launde has decided to follow the title practice adopted by the Diocese of Leicester.

“PCC” – see Trustees. Note that, in choosing to use the Church of England Parish Safeguarding Handbook as the basis of its own Safeguarding Procedures, the Trustees assume all responsibilities assigned to the Parochial Church Council within that document.

“Safeguarding Co-ordinator” or “the Co-ordinator” refers to the person appointed by the Trustees as Safeguarding Co-ordinator.

“Safeguarding Lead” or “Trustees’ Safeguarding Lead” refers to individual Trustee who has prime responsibility for monitoring safeguarding policy and practice at Launde.

“Trustees” refers to body responsible for Launde Abbey, and for all its staff, for the provision of services as a Retreat House and Conference Centre, and the for the maintenance of the building and its grounds.

“Vulnerable Adult” – Adult means a person who is 18 years of age or over. The definition of ‘vulnerable adult’ referred to in this document and in Promoting a Safer Church is taken from the Safeguarding and Clergy Discipline Measure (2016) and refers to:

“a person aged 18 years or over whose ability to protect himself or herself from violence, abuse, neglect or exploitation is significantly impaired through physical, mental disability or illness, old age, emotional fragility or distress, or otherwise; and for that purpose, the reference to being impaired is to temporarily or indefinitely impaired.”

“Warden” refers to the person who has been safer recruited to the position of Warden of Launde Abbey.

“Young Person” refers to a person who is 16 years of age or over and under 18 years of age.

SAFEGUARDING POLICY STATEMENT

This policy was agreed at the meeting of the Trustees of Launde Abbey held on 14th January 2022.

Launde Abbey is a Christian Retreat House and Conference Centre in the Diocese of Leicester. Launde's management team is headed by, and includes other, clergy licensed by the Diocese of Leicester and the Diocese of Peterborough.

The body with responsibility for safeguarding is the Trustees of Launde Abbey. The Trustees have decided to adopt the "Parish Safeguarding Handbook: Promoting a Safer Church" (Church of England, 2018, revised 2019) as the basis for their Safeguarding Policy, and are committed to the nurturing, protection and safekeeping of the children, young people, and vulnerable adults in their care.

The "Promoting a Safe Church" document should be read together with this Policy document to obtain a full understanding of the Launde Abbey safeguarding policy. However, reading this document alone should provide sufficient understanding of the intent of this policy and the reader should then refer to the "Promoting a Safer Church" document, when required, for additional clarity. This document refers to relevant sections of the "Promoting a Safer Church" when necessary.

Terminology across the documents is interpreted as stated in the 'Definitions' above to reflect the combined purposes of Launde Abbey as a place of worship, a retreat house, and a conference centre.

In the past, Launde Abbey has referred all safeguarding matters to the Diocese of Leicester Diocesan Safeguarding Adviser (DSA). This practice will continue for all matters that may involve clergy engaged at Launde Abbey but DSAs for other Dioceses will also be notified in cases where clergy hold licenses to officiate from those Dioceses. In matters not involving clergy the Leicester DSA and Peterborough DSA will be consulted for their expertise and advice.

All Launde staff are subject to the terms and conditions of the Launde Abbey Staff Handbook and all matters will be dealt with in accordance with the procedures and practice of that handbook. The Handbook sets out a positive work environment (Section 35) and the observance of rules and procedures (Section 40) at Launde.

Failure to accept or observe this Safeguarding Policy and its practices, in addition to others in the Staff Handbook, will be dealt with either in accordance with this Policy or under the Disciplinary Procedure (Section 41) of the Staff Handbook, as appropriate.

The Trustees recognise that Launde currently organises few events or activities exclusively for children or young people. However, they are agreed that robust policy and procedures should be in place in preparation for those times to ensure the safeguarding of children and young people. Individual children and young people visiting Launde will also be protected by these procedures, and so all Trustees, staff and volunteers are expected to abide by them.

There are occasions when external groups want to organise activities for under 18s at Launde. In such cases they will be expected to have their own safeguarding procedures and practices and provide evidence of such. They will be provided with a copy of this Policy and be required to confirm that their own safeguarding procedures are consistent with those at Launde. Launde will be entitled to decline access to Launde to such groups where Launde is not satisfied with the relevant standards of safeguarding are being provided.

POLICY

In accordance with the Church of England House of Bishops' Safeguarding Policy and Practice Guidance, Launde Abbey is committed to:

- Promoting a safer environment and culture.
- Safely recruiting and supporting all those with any responsibility related to children, young people, and vulnerable adults within Launde.
- Responding promptly to every safeguarding concern or allegation.
- Caring pastorally for victims/survivors of abuse and other affected persons.
- Caring pastorally for those who are the subject of concerns or allegations of abuse and other affected persons.
- Responding to those that may pose a present risk to others.

The Trustees adopts the House of Bishops "Parish Safeguarding Handbook, Promoting a Safer Church" as the basis for its own safeguarding procedures and practice supplemented by those procedures and practices presented in this document. In doing so, Launde will:

- Create a safe and caring place for all.
- Have a safer recruited Safeguarding Co-ordinator to work with the Warden and the Trustees to implement policy and procedures.
- Safely recruit, train and support all those with any responsibility for children, young people and vulnerable adults to have the confidence and skills to recognise and respond to abuse.
- Ensure that there is appropriate insurance cover for all activities involving children, young people and vulnerable adults undertaken at Launde.
- Display in Launde premises and on Launde website the details of who to contact if there are safeguarding concerns or support needs.
- Listen to and take seriously all those who disclose abuse.
- Take steps to protect children, young people, and vulnerable adults when a safeguarding concern of any kind arises, following House of Bishops' guidance, including notifying the Diocesan Safeguarding Adviser (DSA) and statutory agencies immediately.
- Offer support to victims/survivors of abuse regardless of the type of abuse, when or where it occurred.
- Care for and monitor any member of Launde community who may pose a risk to children, young people and vulnerable adults whilst maintaining appropriate confidentiality and the safety of all parties.

- Ensure that health and safety policy, procedures and risk assessments are in place and that these are reviewed annually.
- Review the implementation of the Safeguarding Policy, Procedures and Practices at least annually.

Each person who works within the Launde community will agree to abide by this policy and the guidelines established by Launde.

Launde appoints The Warden, Revd. Alison Myers as the Launde Abbey Safeguarding Co-ordinator. The Operations Manager (Graeme Ostah) will undertake Safeguarding training in 2024, and the document will be updated in due course to reflect this. The training is due to be completed by 20th April 2024.

3. Abuse and Neglect of Children

Please refer to Section 3 of “Promoting a Safer Church” for the statutory definitions of abuse and neglect of children and young people.

Sections 7 and 8 of “Promoting a Safer Church” address the acts of responding to safeguarding concerns or allegations, and the provision of subsequent pastoral support. The following guidance is provided as a supplement and in addition to that advice.

3.1 Guidance to be followed in the case of an allegation or disclosure of abuse

If there is an allegation or disclosure of abuse by a child or young person, or by an adult who is disclosing or alleging historic child abuse then:

- ▶ Listen - and keep listening!
- ▶ Do not question or investigate – this is the job of the authorities; in particular, do not speak to the subject of the allegation.
- ▶ Do not promise confidentiality; tell them that the information they disclose needs to be shared.
- ▶ Assure them they are not to blame.
- ▶ Tell them what you are going to do - reassure them that the matter will be reported to those whose job is to keep children/young people safe. If the person needs reassurance that the alleged perpetrator will be punished, do not make any promises. There can be no guarantee as to what happens as that will be dependent upon the outcome of the investigation.
- ▶ As soon as possible after the conversation, make careful notes of what was said, recording dates, times, events and when you were told.
- ▶ If there is immediate danger to a child or young person, contact Social Services or the Police.
- ▶ Report the incident to the Safeguarding Co-ordinator or the Warden immediately. If the allegation relates to the Co-ordinator or Warden or anybody related to them, report the matter directly to the Diocesan Safeguarding Adviser (DSA).
- ▶ Do not discuss the incident with anybody else.
- ▶ The Safeguarding Co-ordinator or the Warden must then report the allegation or disclosure to the DSA within 24 hours for advice and inform the Trustees’ Safeguarding Lead. The DSA will advise on what needs to be done in line with Diocesan Practice Guidance. In the absence of the DSA, the appropriate Archdeacon should be contacted.
- ▶ Do not contact anybody who is implicated in the allegation or disclosure, even if they would normally be contacted as part of the procedure.

- ▶ Do not talk to the media under any circumstances. The Chair of the Trustees and the person within the Diocese who has responsibility for external communications, as directed by the DSA, will handle any media statements.
- ▶ If a child or young person makes a disclosure by email or other electronic the same procedure should be followed, with the person receiving the disclosure making careful and confidential use of email or other electronic means to continue to “listen” and then passing on the disclosure via the appropriate channels.
- ▶ This guidance is the same for abuse which happened in the past, possibly many years ago.

3.2 Procedure to be followed where there are concerns that someone may be committing abuse

If you are concerned, or it comes to your notice in another way, that someone may be committing abuse:

- ▶ Make notes of your concerns and discuss them with the Safeguarding Co-ordinator or the Warden.
- ▶ The Co-ordinator or Warden must then report the concerns to the Diocesan Safeguarding Adviser (DSA) by the end of the next working day and inform the Trustees’ Safeguarding Lead. Do not contact the Co-ordinator or the Warden if the allegation concerns them or anybody related to them. Contact the Diocesan Safeguarding Adviser directly in this case.
- ▶ Record the dates and times of any observations which have been made and of the referral to the Co-ordinator, the Warden, the Trustees’ Safeguarding Lead, or the DSA.
- ▶ The DSA will act in line with Diocesan Practice Guidance and will advise whether to:
 - ❖ Report the concerns to Social Services and/or the Police, who will then investigate while the DSA liaises with Launde; or
 - ❖ Continue to observe closely – the process will then be repeated in the event of any more concerns.
- ▶ There should be close communication between the Co-ordinator, the Warden, the Trustees’ Safeguarding Lead, the Diocesan Safeguarding Adviser and appropriate Archdeacon until the situation is resolved.

3.3 Registration

When any regular group or activity for children and/or young people takes place at Launde Abbey, details for each child or young person who takes part should be registered. In the case of an activity organised by an outside agency, Launde must be satisfied that that organisation keeps such a register.

For the sake of clarity, this *does not* include activities which would take place regardless of whether children are present or not, nor school visits accompanied by school staff. Neither does it include activities which are family focused and which children therefore attend with their parents.

Launde's own registration form will be reviewed annually and should include the following:

- ▶ Name and address
- ▶ Date of birth
- ▶ Emergency contact details
- ▶ Medical information
- ▶ Any special needs including activities that the child or young person is unable to take part in
- ▶ Consent for emergency medical treatment
- ▶ Consent for photographs and videos, if relevant.

All personal details and registration forms will be stored securely at Launde under the provisions of the Data Protection Act and will be accessible only to relevant staff and volunteers. Forms will not be used for any other purpose and will be shredded or disposed of securely when out of date or no longer in use.

4. Abuse and Neglect of Adults

Please refer to Section 4 of “Promoting a Safer Church” for the statutory definitions of abuse and neglect of adults.

Sections 7 and 8 of “Promoting a Safer Church” address the acts of responding to safeguarding concerns or allegations, and the provision of subsequent pastoral support. The following guidance is provided as a supplement and in addition to that advice.

4.1 Dealing with Disclosure of Abuse and Procedure for Reporting Concerns

If an adult tells a member of staff or volunteer about possible abuse:

- ▶ Listen carefully and stay calm.
- ▶ Do not interview the vulnerable adult, but question normally and without pressure, so that you can be sure that you understand what the vulnerable adults is telling you.
- ▶ Do not put words into the vulnerable adult’s mouth.
- ▶ Reassure the vulnerable adult that by telling you, they have done the right thing.
- ▶ Inform the vulnerable adult that you must pass the information on, but that only those that need to know about it will be told. Inform them of to whom you will report the matter.
- ▶ Note the main points carefully.
- ▶ Make a detailed note of the date, time, place, what the vulnerable adult said, did and your questions etc.
- ▶ Staff should not investigate concerns or allegations themselves but should report them immediately to the Co-ordinator or Warden.

5. Procedure to be followed where a person with convictions for safeguarding offences, or who is under investigation, is regularly attending Launde Abbey

- ▶ Where it becomes known that someone attending Launde Abbey has been convicted of offences against children, or they have received a formal police caution, an agreement will need to be drawn up to minimize any risk to the safety of children, young people, or vulnerable adults also at Launde. If it becomes known that a person who attends Launde is subject to investigation for alleged abuse, then a temporary agreement will be needed until the outcome of the investigation is known.
- ▶ The Warden or the Safeguarding Co-ordinator, must inform the Trustees' Safeguarding Lead of the situation, and also inform the Diocesan Safeguarding Adviser (DSA).
- ▶ The DSA will act in line with Diocesan Practice Guidance and will advise whether an agreement needs to be in place. A risk assessment may be necessary. The DSA will advise and assist in the production of any risk assessment and/or agreement.
- ▶ If the person is a convicted offender, there will need to be liaison with the person's Supervising Officer (police or probation) who should be consulted about the agreement and, ideally, be a signatory to it. The offender or person under investigation will be asked to sign the agreement, which will then be reviewed annually.

Any blemished DBS check must be referred to the Trustees' Safeguarding Lead, and the DSAs for all relevant Diocese who will follow up in line with Diocesan Practice Guidance. The extent of the DSA's involvement will vary according to the nature of the information on the DBS check.

6. Reporting Allegations of Abuse Against Members of Staff or Volunteers

Launde Abbey recognises that an allegation of abuse against a member of staff may be made for a variety of reasons and that the facts of the allegation may or may not be true. It is imperative that those dealing with an allegation maintain an open mind and that investigations are thorough and not subject to delay.

Launde Abbey recognises that the welfare of the subject of the alleged abuse is the paramount concern. It also recognises that hasty or ill-informed decisions in connection with a member of staff can irreparably damage an individual's reputation, confidence and career. Therefore, those dealing with such allegations within the organisation will do so with sensitivity and will act in a careful, measured way.

All information, concerns or allegations should be passed without delay to the Safeguarding Co-ordinator and Warden. They will need to listen carefully, possibly discussing the matter with the subject of the alleged abuse and deciding whether these concerns:

- Are a safeguarding matter, in which case they will be dealt with under this Policy.
- Are solely a matter falling within the scope of the Staff Handbook, in which case they will be dealt with under the appropriate Human Resources (HR) procedures.
- Should be passed to an outside statutory body such as the police or the appropriate Local Authority Services.

The Safeguarding Co-ordinator and Warden should always liaise with the Trustees' Safeguarding Lead and seek advice from the Diocesan Safeguarding Adviser of the Diocese of Leicester and inform the DSAs of any other relevant Diocese. See also Section 7 below.

If there is clear evidence that the subject of the alleged abuse has suffered abuse, then this should be reported as soon as possible to appropriate Local Authority Services as the lead agency. All Adult and Children Services Departments (or similar) have policies about safeguarding and will work in multi-agency collaboration with the health service and police.

Everyone should be alert to any situations where those working with children, young people and vulnerable adults are themselves at risk. Those engaged in such work often find themselves in challenging situations and need support, prayer and encouragement. Sometimes workers may be confronted with difficult behaviour on the part of those with whom they are working; they may have to face difficult decisions about incidents that may need to be reported to the statutory authorities. Trustees, staff and volunteers should always implement the codes of behaviour specified in the Staff Handbook in order to reduce such risks.

Not all concerns about the welfare or safety of a subject of the alleged abuse need the public authorities to be involved; sometimes it may be that the concern focuses on behaviour and attitudes that are not immediately harmful and then the matter should be dealt with through training or discussion. The choices of the subject of the alleged abuse should, if at all possible, be accepted. The response to any concerns should always be proportionate and appropriate to the issue. The Co-ordinator at Launde will always consult the Diocesan Safeguarding Adviser before making these critical decisions and inform the Chair of Trustees.

7. Allegations or Concerns Involving Clergy.

All allegations or concerns involving clergy should be reported to and referred to the Warden, the Trustees' Safeguarding Lead, and all Diocesan Safeguarding Advisers for those Dioceses where the member of clergy holds a license.

If an allegation involves the Safeguarding Co-ordinator, it should be reported to and referred to the Warden, the Trustees' Safeguarding Lead, and all Diocesan Safeguarding Advisers for those Dioceses where the member of clergy holds a license.

If an allegation involves the Warden, it should be reported to and referred to the Trustees' Safeguarding Lead, the Chair of Trustees, and all Diocesan Safeguarding Advisers for those Dioceses where the member of clergy holds a license

If an allegation involves an Archdeacon or Dean, it should be reported to and referred to the Bishop of Leicester and the Bishop of the relevant Diocese.

If an allegation involves a Bishop, it should be reported to and referred to the Archbishop of Canterbury.

In all cases the lead person to whom the case is referred must determine whether it is a Safeguarding matter or one which should be dealt with under Human Resources (HR) procedures, or both, and deal with it accordingly.

8. Safer Recruiting

When appointing or recruiting leaders and helpers for work with children and young people, Launde Abbey will follow the guidelines set out in the Church of England Practice Guidance for Safer Recruitment, July 2016 (or any subsequent update). It can be downloaded from:

<https://www.leicester.anglican.org/safer-recruitment->

Templates for role descriptions, application forms and reference requests can be found in the appendices of the Practice Guidance.

Those organising visiting groups of/including children or young people are expected to have recruited staff and volunteers in line with their own organisation's safer recruitment and safeguarding procedures. This includes ensuring that the appropriate DBS checks are carried out for staff and volunteers prior to any work with under 18s or vulnerable adults, in line with their own procedures.

9. Training

All Trustees, staff, and volunteers at Launde will be required to complete a level of safeguarding training appropriate to their level of responsibility and dependent the nature of their work at Launde. This training is to be commenced within 3 months of it being identified and completed in a timescale appropriate to the length of the training required.

A matrix showing the training required for all persons concerned is attached as Appendix D.

10. Health & Safety and First Aid

Health and Safety will be managed as part of all activities. All buildings and locations where activities with children and young people may take place will be inspected by an appropriate person at least annually and the results will be noted and reported in writing to the Trustees or other appropriate organisation. Health and Safety issues observed by those working with children and young people should be reported to the person at Launde with responsibility for Health and Safety.

A First Aid kit and accident book will be available on site and will be checked monthly and updated as necessary. Launde Abbey Health and Safety procedures should always be followed.

All Health and Safety and First Aid procedures are reviewed annually by the Launde Abbey Estates Group and reported to and approved by the Trustees.

11. Implementation of the Policy and Reporting to the Trustees.

The Safeguarding Co-ordinator will be responsible for ensuring the practical implementation of the safeguarding policy and procedures. The Trustees retain ultimate responsibility for safeguarding and for shaping policy and procedures.

The Co-ordinator will liaise with the Trustees' Safeguarding Lead in accordance with this Policy on all safeguarding matters, and after any incident with safeguarding implications, taking care to preserve confidentiality as necessary.

The Co-ordinator will report annually to the Trustees on safeguarding matters.

The Trustees' Safeguarding Lead will be kept informed, at least on an annual basis, of all regular and one-off children's activities organised by Launde. This is necessary for them to fulfil their duties as charity trustees, and for insurance purposes.

12. Use of Social Media, email and texting.

All those involved in working with children and young people will exercise care in the use of social media.

They must be familiar with and abide by the principles set out in Section 12 – Use of Social Media – of the “Promoting A Safer Church” handbook.

These procedures and practices for implementing the Launde Abbey Safeguarding Policy will be reviewed annually and were agreed by the Trustees of Launde Abbey on:
