Brian's Thank You as Chair

Our Friends of Launde trustees' meeting in April culminated with tea and cake with Launde staff and members of the clergy team. Brian was presented with a rose bush in acknowledgement of all he had done in support of Launde.

On the Saturday we then celebrated once again at Madeleine & Michael's with a thank you luncheon for Brian. What a joyous occasion this was.

Thank you to everyone who donated on the day or by online giving. In total we received donations including Gift Aid of £1053.75 and our expenses including Brian's gift were £378.59 with the balance of course going towards future grants to Launde Abbey.

How appropriate it is that Brian's gift from Friends of Launde is a chair where he can relax in his garden.

With all our thanks to you Brian.

Bart Hellyer RIP

It is with deep sadness that we share the news of the passing of our former Friends' trustee Bart Hellyer. Bart had been a wheelchair user since an accident in his teens but put his disability aside to have a full life. He was a solicitor, had been High Sheriff of Rutland and a Deputy Lieutenant. He and Mary Rose de Lisle were instigators in raising funds for the lift down to the chapel at Launde Abbey.

A very kind man, and a 'character' who loved his steeplechase horse racing. In life he achieved so much and will be much missed.

Introducing Beverley Lott: One of our Trustees

I first came to Launde on parish weekends with members of churches in Barrow on Soar and Walton le Wolds. Life with a young family and a full time teaching job was busy and the chance to come away to Launde and be guided through times of discussion, prayer, silence and conviviality was a tonic. Our stays predated the refurbishment of Launde and I can remember ice on the inside of windows, meals in the Oak Room and a cellar full of “Wardens’ Wares”. Walks beyond Launde were always in our programme and I recall that there was a pub on the Oakham Road towards Tilton to which we escaped on Saturday evenings.

My job as a teacher of French in Loughborough was demanding and fulfilling. I have always loved the way knowing other languages provides a gateway into other ways of living and thinking because the words we use belong to a culture and a history. That includes worship and I have attended services with Lutheran friends in Germany and Roman Catholic friends in France. There is more than one way of doing things and our faith and our seeking should, in my view, lead us to open new doors and discover new vistas.

After joining the Friends of Launde I got involved on retirement in working with a team who stuffed envelopes periodically with the latest edition of Launde Leaves and other communications to Friends. That led to being part of the team that produced Launde Leaves for a number of years. In 2016 I started working as a volunteer at Launde and you may have met me on Reception when checking in for a retreat or visiting the shop. It is marvellous to be part of the loyal and dedicated team who keep Launde going and make it a place of welcome. There are also the days when the internet goes down, or there are no taxis available to take a guest to Oakham Station, or a guest who must have a shower is booked into a room with a bath. Experiencing the “other side of the front desk” and learning all the practical as well as spiritual things that make Launde tick has been an eye-opener.
